

Dear FMA Members,

On Tuesday, March 24th, we will be taking a trip to Delaware Investments to learn more about a "real world" working environment. The tour is comprised of a presentation by Delaware Investments, guest speakers

from departments throughout the company speaking about their career paths, a chance to meet the staff and a panel discussion for any questions you may have. Lunch will be provided by Delaware Investments.

Delaware Investments provides world-class asset management services and solutions for institutions and individuals. Today's Delaware Investments is more dynamic than ever before, managing assets across all major asset classes for a wide range of investors.

Transportation: For those of you that live on campus, an organized departure will leave from Cecil B. Moore at 10:00 AM sharp. Tokens will be provided. For those of you that live off campus, their office is located at 2005 Market St. if it is easier to find your own means of transportation. Please don't be late!

If you would like to attend the tour please send me an email at alex.garcia@temple.edu by Friday March 20th at the latest.
